Subject: Acceptance of your application for affiliate membership of EURASHE

Dear Mihone Kerolli-Mustafa,

It is my pleasure to inform you that the Board of EURASHE considered your application for membership after their meeting on 13 June 2019 and agreed to grant the International Business College Mitrovica (IBC-M) an affiliate membership of EURASHE as of 14 June 2019.

Your institution will be mentioned as the member on our website and in all our communication. Your institution may state your affiliation to EURASHE, in your own communication, and make links to our official website. We will keep you updated on developments within our communication with members and hope to have your institution's representatives engaged in our activities.

Furthermore, a substantial reduction on participation fees for our conferences and seminars is awarded to the individual staff and faculty wishing to attend such events.

Colleagues in charge of EURASHE communications will contact you soon in order to check relevant contacts and data and inform you about further proceedings.

The invoice for your membership fee for 2019 is sent together with your acceptance letter.

We are looking forward to a mutually beneficial cooperation and would like to propose that you also consult our webpage regularly for updated information on our activities.

Yours sincerely,

Michal Karpíšek

Secretary General of EURASHE
